

As an asset and non-asset services provider, we transport the most hazardous, heaviest and largest products. We clean up the dirtiest plants, messiest spills and nastiest environmental sites.

**the  
harder  
the better**

## PIPELINE AND TERMINAL SERVICES

**ACTION**  
environmental

We are a full-service company dedicated to safety and quality, working with our clients to understand their expectations and complete projects efficiently.

Action Environmental pipeline and terminal services provides general maintenance and environmental services to natural gas, natural gas liquids, refined products, and crude oil facilities. All our employees are MSHA/OSHA certified, OQ certified (specific to job task and customer requirements), 40 hours Hazwoper trained, and Confined Space trained. Whether you have upstream, midstream, or downstream environmental and industrial maintenance needs at your facility, Action Environmental can help.

Our goal as an organization is simple: to be recognized as the best at what we do by our customers, suppliers, competitors and employees.

Action Environmental provides environmental services and industrial services which have a broad application across many industries. We also provide specialty services that are specific to certain customers or industries. While not universal in application, these services are a critical part of our customers' needs.

## ENVIRONMENTAL SERVICES

- Abatement Services
- Emergency Services
- Field Services
- Oilfield Services
- Professional Services
- Waste Services

## INDUSTRIAL PAINTING

- Painting and Coating
- Surface Preparation

## INDUSTRIAL SERVICES

- By-Product Management
- Industrial Vacuum and Cleaning
- Municipal and Construction Support
- Roof Ballast Removal
- Silo and Bin Cleaning and Maintenance
- Tank Maintenance and Repair

## EQUIPMENT

Action Environmental makes significant investments in company-owned and maintained equipment which means we're well prepared to meet the diverse needs of our customers. In addition to a fleet of over 100 service trucks, Action Environmental owns more than 80 pieces of specialized equipment including vacuum trucks, liquid vacuum trucks, frac tank service equipment, tractors and winch trucks, dump trucks, bob tail roll-off trucks and jetter trucks, as well as more than 20 pieces of construction equipment including excavators, front end loaders, skid steers, back hoes, road trucks and several drilling rigs.

## SAFETY AND TRAINING

Action Environmental's employees are well trained, meeting or exceeding industry standards. From our new hire regulatory training programs to our advanced level training and in-house train-the-trainer programs, we are committed to the safety of our employees. We have several OSHA authorized outreach trainers for OSHA 10-Hour and 30-Hour courses, which are basic requirements of newly hired employees, as well as MSHA competent trainers, explosive awareness trainers, and certified OSHA HAZWOPER instructors. As applicable, employees also receive the Federal Railroad Administration (FRA)'s Roadway Worker Protection Training, Operator Qualification Training for pipeline personnel, permit required confined space entry training, and confined space rescue training.
