harder
the better**

INDUSTRIAL PAINTING AND COATING

Our goal is to provide a full service company dedicated to quality, timely completion of all projects and completed to client's specifications. We work with project managers and engineers to understand their expectations to achieve completion safely and efficiently.

Action Environmental Industrial Painting and Coating specializes in Industrial, Commercial and Maintenance applications. Our experience includes pulp, paper, cement, lime, fiberglass, asphalt, emulsions, food and power facilities. We have completed numerous projects in the painting field including tank linings, silo linings, potable water tanks, food grade silos, structural steel, paper machines, tank exteriors, silo exteriors, roofs, floors, containment pits and ceilings for lighting enhancement. Most of these are shut down or critical path projects. All our employees are MSHA and OSHA Certified.

We have applied thousands of gallons of epoxies, urethanes, ceramic, insulating, aluminum, enamels, DTM's, acrylics, self-leveling epoxy, 100% solids epoxy, polyurea and numerous concrete stains. We have the equipment and experience to complete the job whatever the coating may be.

- Abrasive Blasting
- Baking Soda Blasting
- Dry Ice Blasting
- Hand Tool Cleaning
- Hydro Mower
- Hydro Blasting - 10,000 to 40,000 psi
- Pressure Washing - 1,500 to 5,000 psi

Our goal as an organization is simple: to be recognized as the best at what we do by our customers, suppliers, competitors and employees.

Action Environmental provides environmental services and industrial services which have a broad application across many industries. We also provide specialty services that are specific to certain customers or industries. While not universal in application, these services are a critical part of our customers' needs.

ENVIRONMENTAL SERVICES

- Abatement Services
- Emergency Services

- Waste Services

INDUSTRIAL PAINTING

- Painting and Coating
- Surface Preparation

INDUSTRIAL SERVICES

- By-Product Management
- Industrial Vacuum and Cleaning
- Municipal and Construction Support
- Roof Ballast Removal
- Silo and Bin Cleaning and Maintenance
- Tank Maintenance and Repair

EQUIPMENT

Action Environmental makes significant investments in company-owned and maintained equipment which means we're well prepared to meet the diverse needs of our customers. In addition to a fleet of over 100 service trucks, Action Environmental owns more than 80 pieces of specialized equipment including vacuum trucks, liquid vacuum trucks, frac tank service equipment, tractors and winch trucks, dump trucks, bob tail roll-off trucks and jetter trucks, as well as more than 20 pieces of construction equipment including excavators, front end loaders, skid steers, back hoes, road trucks and several drilling rigs.

SAFETY AND TRAINING

Action Environmental's employees are well trained, meeting or exceeding industry standards. From our new hire regulatory training programs to our advanced level training and in-house train-the-trainer programs, we are committed to the safety of our employees. We have several OSHA authorized outreach trainers for OSHA 10-Hour and 30-Hour courses, which are basic requirements of newly hired employees, as well as MSHA competent trainers, explosive awareness trainers, and certified OSHA HAZWOPER instructors. As applicable, employees also receive the Federal Railroad Administration (FRA)'s Roadway Worker Protection Training, Operator Qualification Training for pipeline personnel, permit required confined space entry training, and confined space rescue training.
