Inc. 5000 revealed the fastest-growing private companies of 2014 this morning – and Alabama has a significant presence on the nationwide list.

Compiled using percentage revenue growth from 2010-13, the **list includes 5,000 independent U.S. companies that generated at least \$2 million in revenue last year.**

The businesses must also have had at least \$100,000 in revenue in 2010.

**Click here** to see the ranking, or check out the Alabama companies below:
